# Drop-off & Pick-up Traffic Pattern Information

## DROP-OFF & PICK-UP:

### *Driving through*

1. Please follow the traffic pattern on page 1 and obey all staff directions.
2. Once the line has formed, **follow staff directions** for forming the line and continuing through the pick-up area.
3. Clearly tell the staff member at the top of the pick-up area the child(rens) name & group.
4. Drive **slowly** through the pick-up area until directed to stop.
5. Stay in your vehicle. A staff member will assist the campers in getting out and in your car.
6. Follow the traffic pattern back out to right turn onto Foxcroft.
  
7. **DO NOT DRIVE AROUND SLOWER VEHICLES.** Safety first please.

### *Walking*

1. Park in the school's upper parking lot near the BOE building.
2. Walk in front of school to drop-off area by field side of school.

Stay on sidewalks and off roadways. **DO NOT CUT THROUGH PARKING LOTS!!!**

3. Walk behind the groups to retrieve your child and move away from the pick-up zone as quickly as possible. People walking in front of the groups and standing on the sidewalk and talking create barriers for others picking up their child and for counselors trying to get the campers to their cars. Be considerate of an already busy area.

***PLEASE: NO LEFT TURNS ONTO FOXCROFT FROM PARKING LOTS  
NO K TURNS ON FOXCROFT TO AVOID THE LINE.***
