

The Holiday Decorations Committee

exists as a Township organization but is wholly supported by private, tax deductible contributions. The goal of the Committee is to provide a festive township environment during the holiday season. With a spirit of interfaith unity, business, organizations and residents contribute to provide festive lighting throughout the Township's business districts. A theme of a "winter wonderland" joins Northfield Center along Livingston Avenue to Livingston Center at Mt. Pleasant Avenue. The committee also funds and selects year-round seasonal banners for Memorial Park.
